**Warning:** Only the Registration and/or Qualification of Legal Persons is allowed, not that of their branches, which lack such attribute.

If none of the requirements in the Table are applicable, insert N/A, and explain the reason in an end note, unless it is derived from the nature and type of legal person, or the information included in other boxes.

**Notes:** (numbered in accordance with data registered as not applicable)

**Attach the following documents:**

- a) Certificate of Existence and Legal Representation or equivalent document in accordance with the applicable law, **issued by the competent authority of the country or origin, at least ninety (90) calendar days** in advance of the date of presentation, or copy of the Legal Personality Recognition Act, if not dealing with a commercial corporation, issued by the competent authority with the same anticipation. If the corporate purpose does not relate to or incorporate the sectors of activity that comprise it, or refers to industrial, commercial or service activities or businesses in general, the requirement that said corporate purpose should include the performance of Hydrocarbon Exploration and Production activities, when referring to Individual Participants or the Operator, may be accredited with the supports presented to verify their Technical and Operational

Capacity, if applicable, or through Contracts or certifications that allow to establish their engagement in Complementary Activities of Hydrocarbon Exploration and Exploitation, including declaration under oath by the legal representative and the statutory auditor, external auditor, "Controller", or whoever replaces them, describing the framework of activity of the legal person.

- b) Photocopy of the identification document(s) of the Legal Representative(s).
- c) Copy of the act, resolution, agreement or decision from the competent social body, to include purpose, term, representation, attributions and faculties granted to the Legal Representative, and eventual qualitative and quantitative limitations.
- d) Photocopy of the Identification Document of the Representative authorized before the ANH, Representative in Colombia or Proxy.
- e) Document that accredits the authorization or respective mandate (same extract of the Articles of Association, Act of the competent societary body, or Power of Attorney duly granted complying with law requirements)
- f) Photocopy of the identification document of the Statutory Auditor, External Auditor or "*Controller*"
- a) Certificate from the General Comptroller's Office certifying that neither the legal person, nor its partners or administrators are reported in the latest Tax Responsibility Bulletin. (Not applicable to open companies or listed in Stock Exchanges).
- b) Evidence issued by the General Prosecutor's Office certifying that neither the legal person, nor its partners or administrators have disciplinary background involving inability or prohibition to contract with the ANH. (Not applicable to open companies or listed in Stock Exchanges).
- g) If the foreign legal person has a branch in Colombia, certification issued by the Legal Representative, certifying that it is clear on account of its obligations with the Social Security General System and regarding Parafiscal Contributions.
- h) Attach the organizational chart of the organization or business group and identify the position of the company that intends to be qualified starting in a descending order with the real beneficiary and holding company of the whole organization. In every case, the share and control percentage of each company over affiliates or subordinates must be stated, as the case may be.

- i) In the case of Companies whose Parent or Holding company is included in the latest publication of "The Energy Intelligence Top 100: Ranking in the World's Top Oil Companies of the firm "Energy Intelligence ", as integrated companies or "Upstream" and / or in the latest publication of "The Platts Top 250 Global Energy Company Ranking" of S & P Global Platts" in the category: "Oil & Gas Exploration and Production" or "Integrated Oil & Gas", if listed in Sstock Exchanges or issuing securities, a simple copy of form 10-K or 20-F registered with the Securities and Exchange Commission (SEC) must be presented, or of the equivalent form registered with homologous institutions, including the "Exhibit Significant Subsidiaries" or representative affiliates corresponding to the most recent annual report through the 20F or 10K report of The New York Stock Exchange | NYSE, or smilar stock exchange.

In the event that the corporation applying for qualification and that, given its conditions as member of a business group, whose parent or holding company is registered in the aforementioned Publications, intends to be exempted from accrediting its capacities, but it is not referenced in the public 10K or 20K reports of the New York Stock Exchange or its equivalent, it must attach a certification issued by the Board of Directors, President or General Counsel, whose conditions as undersigned must be publicly recognized in the annual published reports.
