Reference: Area Allocation Permanent Process
Legal Person: _____

The undersigned, _____(full names and surnames) identified with _____(passport)No. _____ issued in _____(country), in the capacity of independent attorney [or Legal Representative of _____ (Denomination or Corporate Name of the applicable lawyer firm)], with domicile in _____, (city and country),duly authorized for such purpose as evidenced in _____(support of the pertinent faculties), hereby issues a legal opinion on the following aspects related to the corporation granting the Joint Debtor Guarantee presented by _____(Corporate Name or denomination of the Participant requesting Qualification) and attached hereto, as well as on said Guarantee.

- That the granting company was incorporated, exists and validly exercises its object in _____(country).
- That according to its purpose and activities and pursuant to the Bylaws, it can validly grant the joint debtor guarantee.

- That those subscribing it in their behalf and representation, have ample and sufficient power to do so, as evidenced in _____ (*articles of association, act of competent body, express power of attorney or authorization*).
- That the establishment of the guarantee does not contravene any provision of the legal framework in _____ (*country*), nor the statutory provision of the granting Company, and
- That the guarantee is fully valid and enforceable under said legislation.
- That the guarantee cannot be revoked or changed without the express, written consent of the ANH.

Sincerely,

External lawyer or independent lawyer firm:
