Notes: (numbered according to the data that were recorded as not applicable)

Required accompanying documents:

- a) Existence and Legal Representation Certificate or equivalent document according to the applicable legislation, provided by the competent authority of the country of origin, at least ninety (90) calendar days prior to submission, or a copy of the Recognition Act if not a business entity, issued by the competent authority within the same timeframe. If the purpose does not encompass or involve the activity sectors that define it, or pertains to industrial, commercial, or general service tasks or businesses, the mandate that this purpose

encapsulates the progression of activities like **Structuring, Designing, Construction, and Project Development for Energy Generation**—concerning Individual Participants or the Operator—can be verified using the documents presented to prove Technical Capacity, if it applies, or through Contracts or Certificates that determine commitment to Complementary Activities to **Structuring, Designing, Construction, and Project Development for Power Generation**. This includes an Affirmation under oath from the Legal Representative and the Statutory Auditor, External Auditor, Controller, or their equivalent, outlining the entity's operational scope.

- b) Photocopy of the ID Document(s) for the Legal Representative(s).
- c) An exemplar of the minutes, resolution, or suitable decision from the competent corporate body, detailing objectives, term, representation, powers, and roles given to the Legal Representative, along with any qualitative and quantitative constraints.
- d) Photocopy of the ID Document for the Representative authorized by the National Hydrocarbons Agency, Representative in Colombia, or Proxy.
- e) A document certifying the associated authorization or command (either an extract from the Statutes, a transcript from the competent corporate body's meeting, or a duly constituted Power of Attorney adhering to legal standards).
- f) Photocopy of the ID Document for the Statutory Auditor, External Auditor, or Controller.
- g) A certification from the Comptroller General of the Republic's Office confirming that neither the entity, its members, nor its administrators appear in the recent Fiscal Responsibility Bulletin. (Not applicable for shareholders of publicly traded companies or those listed on stock exchanges).
- h) Statement from the Office of the Attorney General of the Nation that the entity, its members, or its administrators lack any disciplinary records hindering contracts with ANH. (Not applicable for shareholders of publicly traded companies or those listed on stock exchanges).
- i) For foreign legal entities with a Colombian branch, a certificate from the Legal Representative ensuring compliance with the General Social Security System and Parafiscal Contribution obligations.

- j) Include the structure chart of the entity or corporate group, highlighting the position of the firm aiming for qualification, beginning in descending order from the real beneficiary and main controlling company. Each company's control and ownership percentage over their affiliates or subsidiaries should be indicated, as applicable.
