To:

National Hydrocarbons Agency (ANH), Vice-Presidency of Promotion and Area Allocation,
Avenida Calle 26 No. 59 – 65, Piso 2
Bogotá, Colombia Phone: (57601) 593-17-17
Fax: (571601) 593-17-18

Reference: *Offshore Wind Energy Generation Round*
Legal Entity:

The undersigned, _____, *(full name)*, identified by _____ *(citizenship ID, foreign ID, or passport, as applicable)* No. _____, issued in _____ *(city or country, depending on the type of identification)*, serving as the Legal Representative of _____ *(Business Name/Title of the Interested Party, consistent with the Corporate Bylaws)*, with primary residence in _____ *(city)*, is duly authorized for this matter as verified by _____ *((document confirming the representational authority of the signatory - Existence and Legal Representation Certificate))*, hereby submit to the Administrator the necessary documents to obtain Pre-Qualification, which validate the Legal, Financial, and Technical Capacity of the requesting legal entity. This is to participate in the Process referenced, either individually or as a member of a Plural Participant, and to secure the

Temporary Occupancy Permit, as detailed in the Table of Contents.

The applicant accredits the following requirements based on the records of _____
_____(Parent or Controlling Entity), _____ (Business Name/Title of the company):
_____ ((Condition or conditions
being accredited: Legal, Financial, and/or Technical Capacity).

Note: It may accredit the Financial and/or Technical Capacity with the experience of its Holding Company or Parent Company or Subordinate of the latter, whether Affiliate or Subsidiary, or a legal entity of the same Business or Corporate Group, provided that the link between companies interested in the POT (for its initials in Spanish) and that which it intends to accredit is demonstrated.

Include the organizational chart of the entity or corporate group, highlighting the position of the firm aiming for qualification, beginning in descending order from the real beneficiary and main holding company, or link within the organization. Each company's control and ownership percentage over their affiliates or subsidiaries, or link, should be indicated, as applicable.

By signing this Letter and the associated Pre-Qualification Documents, the entity I represent explicitly acknowledges and asserts the provisions detailed in the Legal Considerations of the Terms and Conditions.

Further, the signer states:

- The entity commits, under its exclusive responsibility, to duly and promptly inform DIMAR in writing of any modifications in address, phone numbers, and email address, as the Entity uses the information provided in this Letter for all communication and notification purposes.
- The attached Forms have been completed with precise, truthful, and authentic information, and the documentation supporting them aligns with reality. It was obtained following the directions provided in the forms, relevant instructions, and the Terms and Conditions, ensuring no modifications or deviations were made or the sequence of the required information altered.
- It is known to us that DIMAR reserves the right to verify the provided information and to inspect the submitted documents either before or after the Pre-Qualification, the Allocation, and even the issuance of the Temporary Occupancy Permit.
- They understand that the Pre-Qualification Phase requires the submission of applications involving multiple Colombian governmental entities, each deciding based on its

competences and terms. Consequently, the Administrator will not be held accountable for any delays or challenges encountered during these official procedures.

Any notifications, correspondences, and generally, all communications related to the Pre-Qualification should be directed to the address provided below. However, the Legal Entity I represent clearly understands that activities related to the Pre-qualification stage will be published on the Process's Website.
