## Draft Contract E&P 7 Annexes

First on **04/22/21**  
Second on **07/08/21**  
Third on **08/27/21**

## Agreement 02 of 2017 y Anexo 1

First on **07/13/21**  
Second on **08/27/21**

## Terms of Reference 15 Annexes

First on **07/16/21**  
Second on **08/27/21**

## PBC Resolution

Draft published for  
comments on **08/27/21**

## Draft Contract TEA 5 Annexes

Draft published for comments  
on **08/26/21**  
until **09/10/21**

## Grid Resolution Land Map

Draft published for comments  
on **08/10/21**

# PPAA Schedule

Addendum N° 21 – September 2nd, 2021

# Coodination and Concurrence Program

**Avances to date**

Entities	Requiered Meetings	Completed Meetings	Progress
231	186	148	79,57%

## **Award Factor**

**Corresponding to Wells a2 and a3**

**Discountable guarantee**

**6cr and 10acr Forms**

**Not part of the offer**

**Supplementary Economic Value of Exclusivity**

# Introduced concepts in Paragraph of Article 33 of Agreement 02 of 2017

COLOMBIA  
ROUND 2021

ANH  
AGENCIA NACIONAL DE HIDROCARBUROS

El futuro  
es de todos  
Minenergía  
#LA NUEVA ENERGÍA

- Regulation for transfers between subscribed contracts
- Only for Recipient Contracts awarded in the 4th Cycle of the PPAA
- Valuation according to the new table of points per activity and basin (Par. 2º)
- Commitment transferred will be part of the:

**Supplemental Economic Value**

**E&P Contracts, Continental, VEE**

**Additional Exploratory Program**

**E&P Contracts, Offshore**

**Additional Technical Evaluation Program**

**TEA Contracts**

# Concepts introduced in Paragraph of Article 33 -- Agreement 02 of 2017

COLOMBIA  
ROUND 2021

ANH

El futuro  
es de todos  
Minenergía  
#LaNUEVAENERGÍA

Issuer contracts **with** commitment value

Mandatory to execute investments for said value  
or pay the value not executed

Issuer contracts **without** commitment value

Activity to be executed is valued in accordance  
with the new table

**Investment Value or activity transferred must be equal to or greater than the original value.**

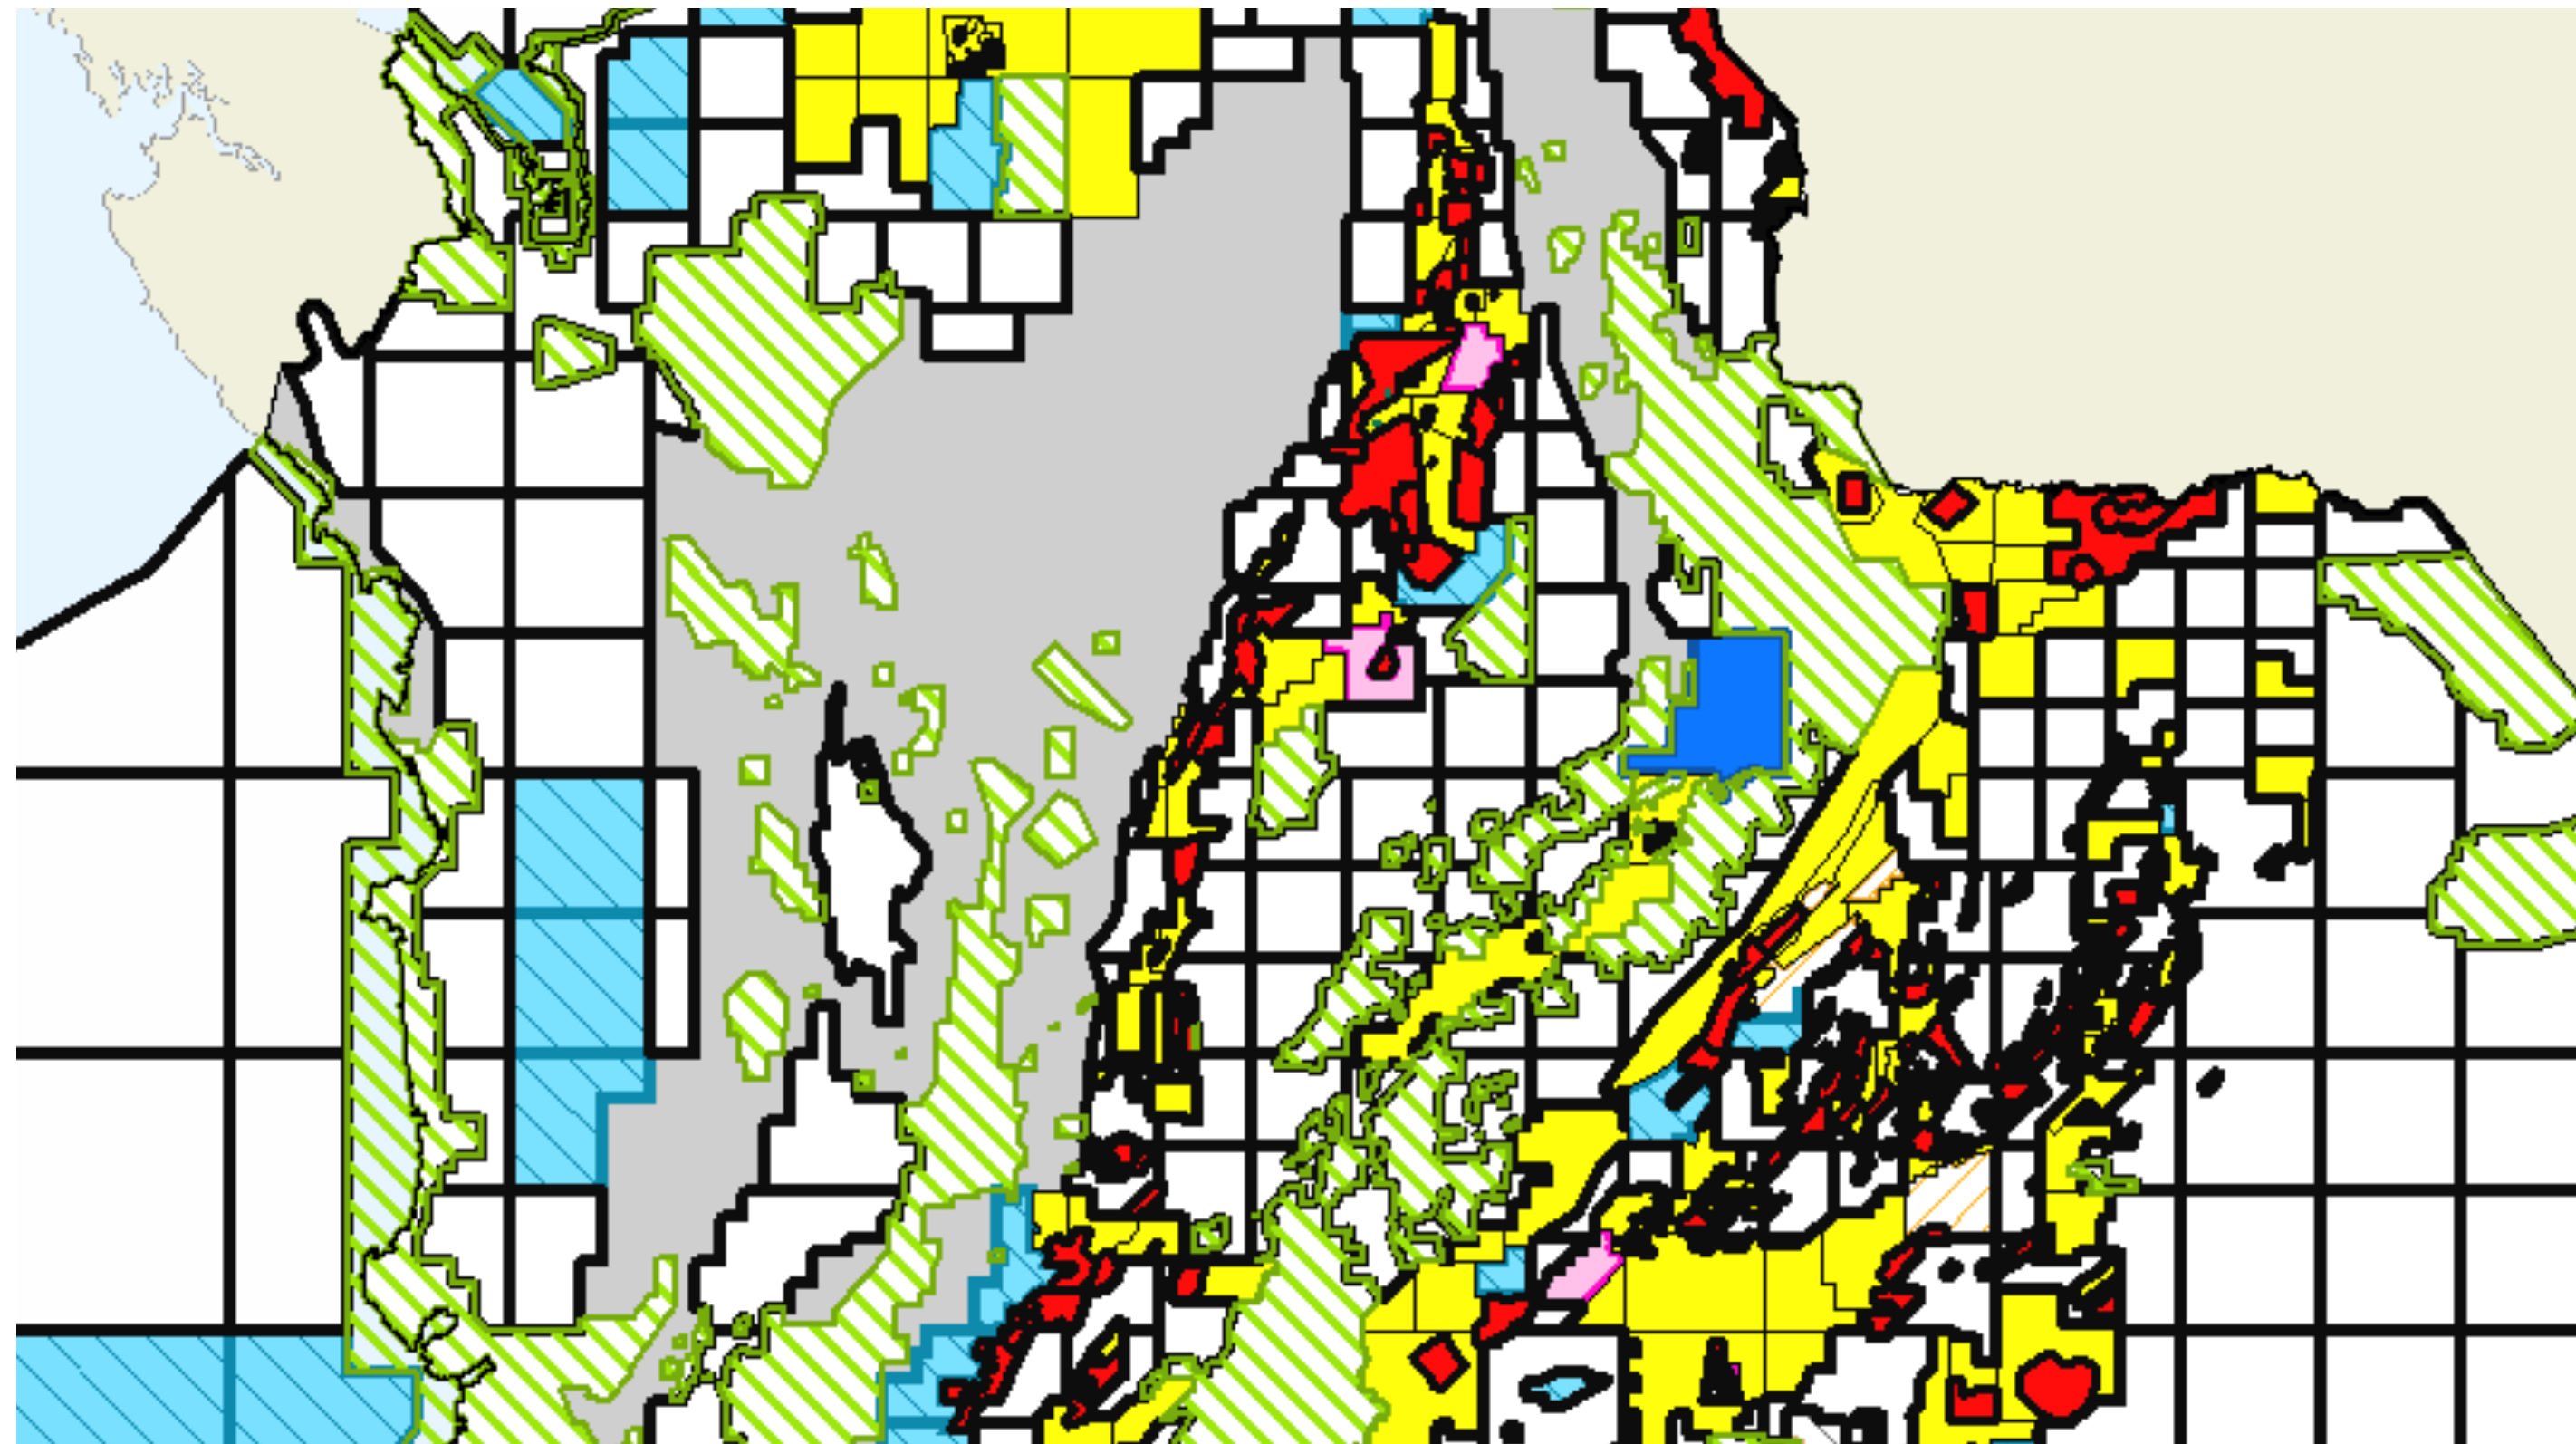

# Available Areas Predetermined by the ANH

COLOMBIA  
ROUND 2021

ANH  
AGENCIA NACIONAL DE HIDROCARBUROS

El futuro  
es de todos  
Minenergía  
#LaNUEVAENERGÍA

## Pre-appointed by ANH

Abbreviated name of sedimentary basin

Consecutive numbering within the basin  
(e.g., LLA 106)

The surface area of each of the polygons will  
be expressed in hectares and the flat  
coordinates of the vertices in meters.

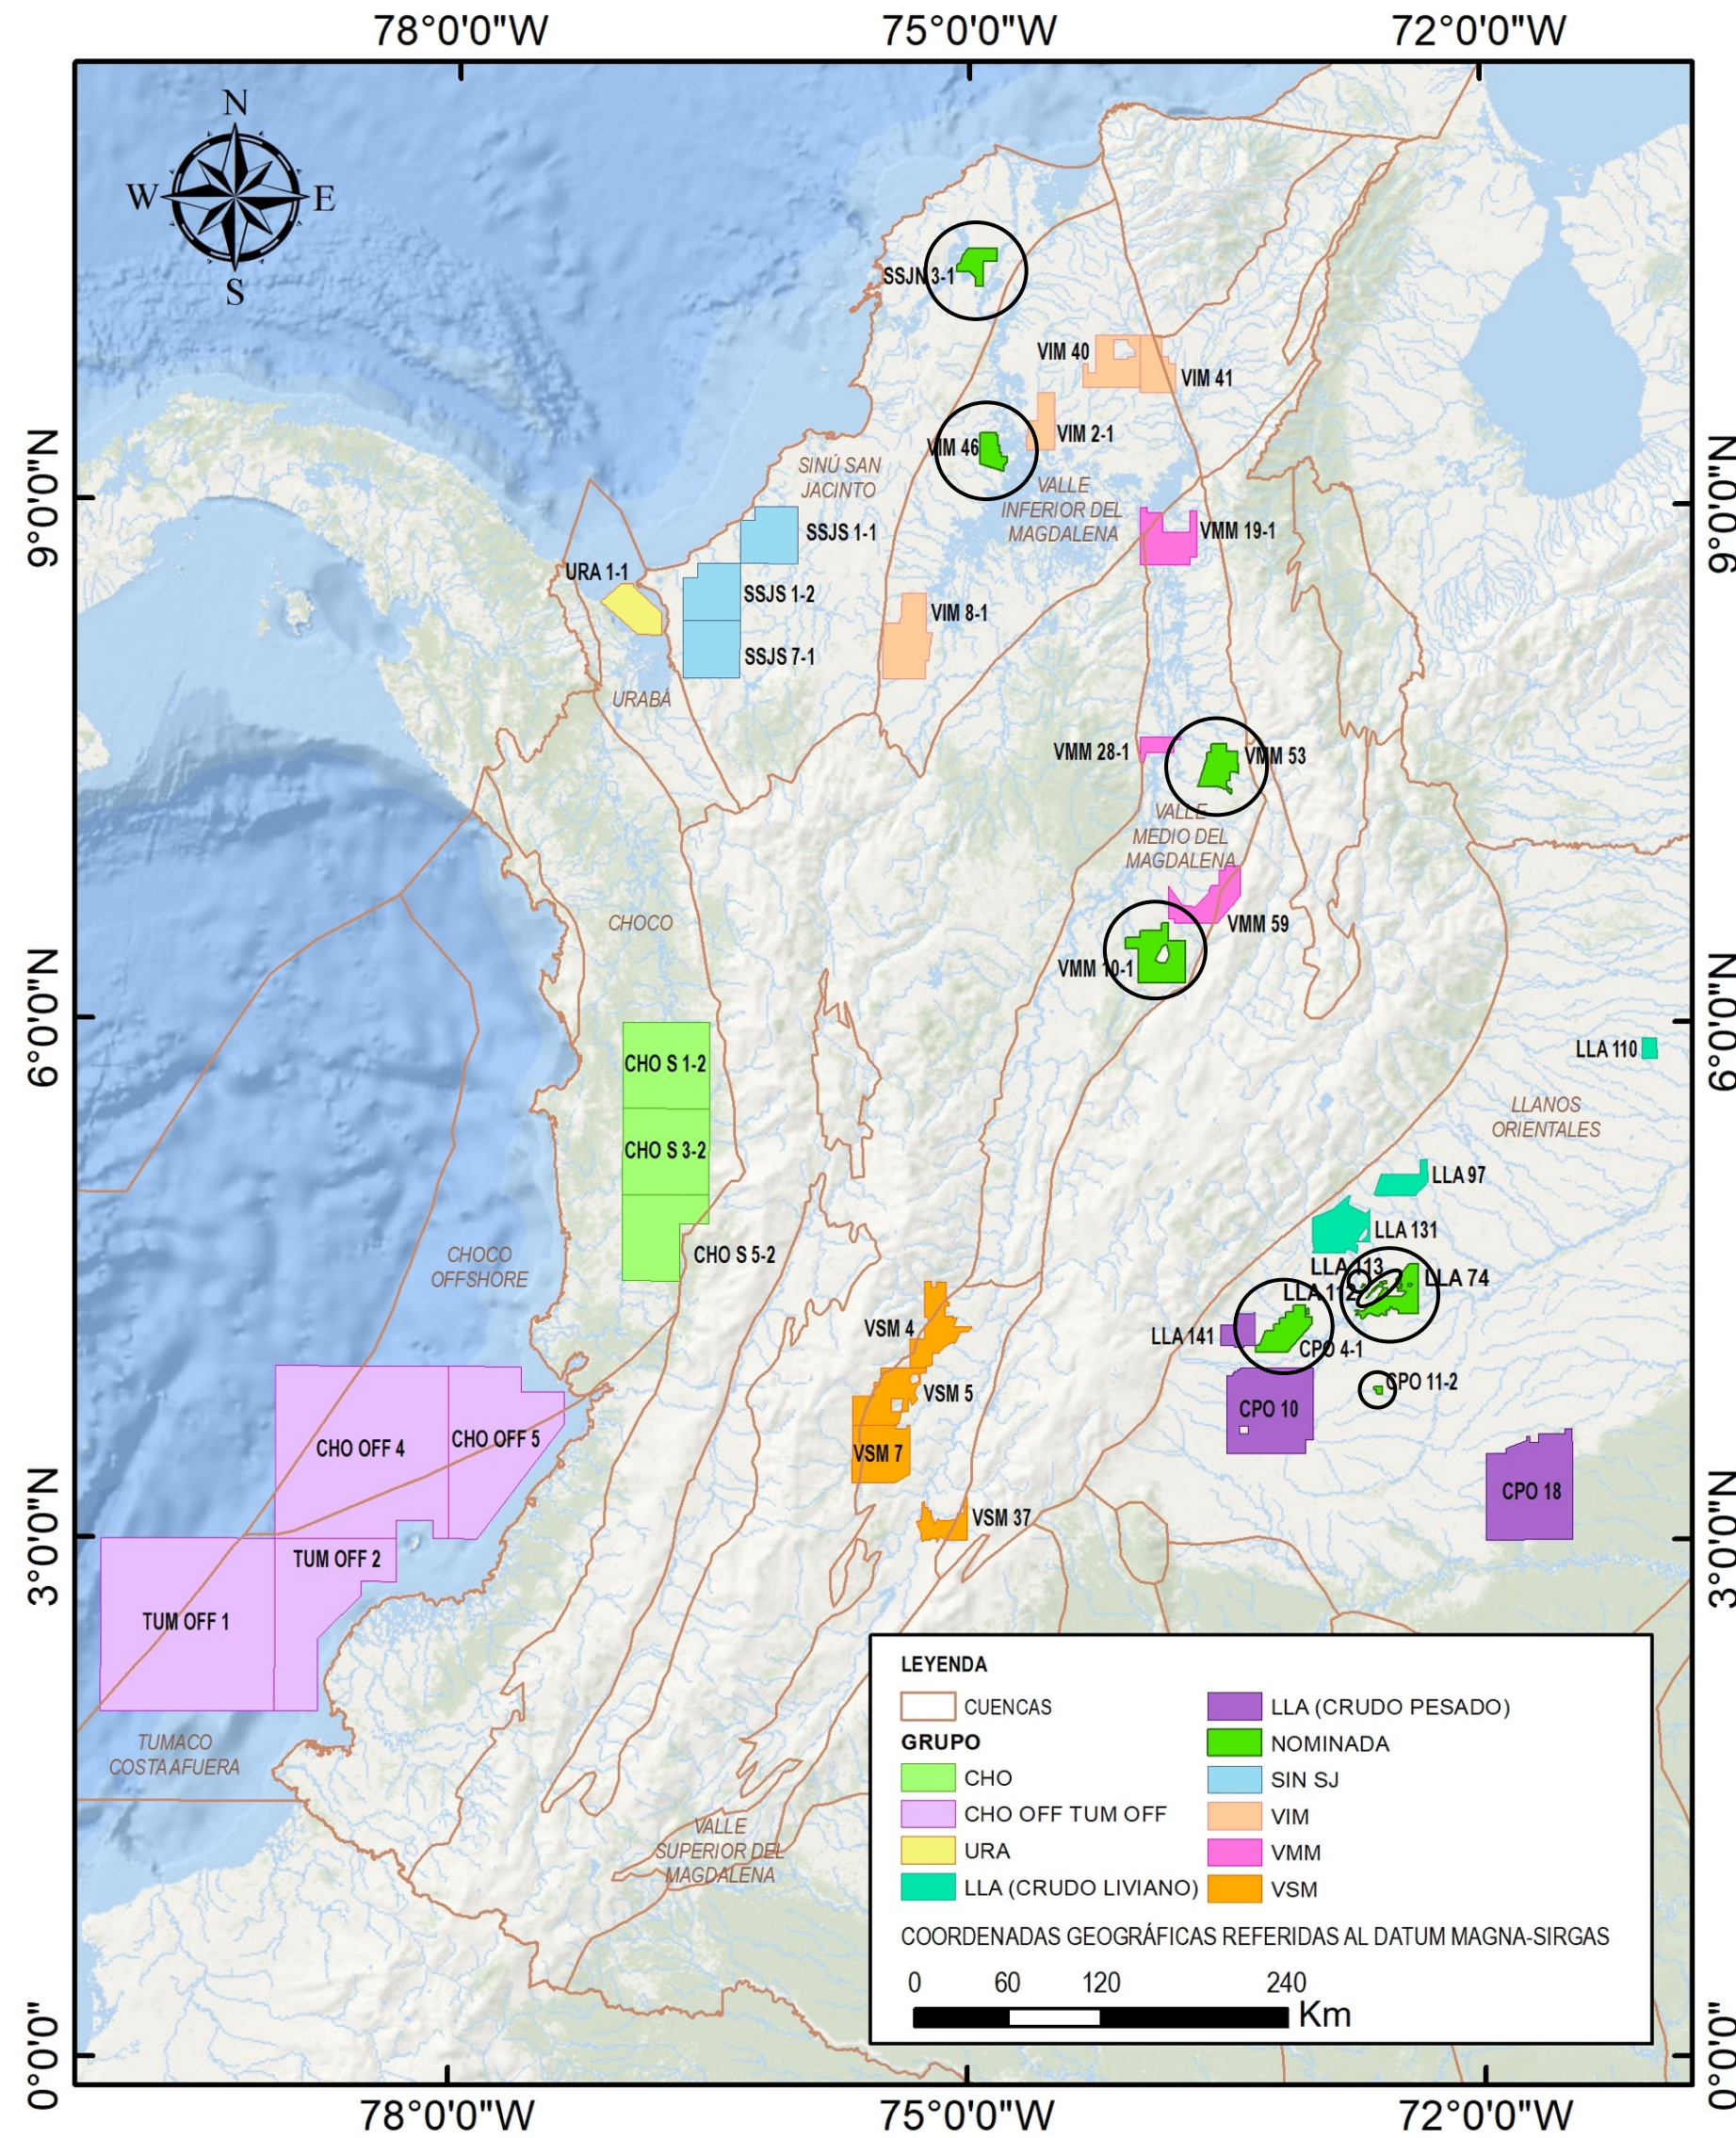

# Nominated Areas

COLOMBIA  
ROUND 2021

ANH  
AGENCIA NACIONAL DE HIDROCARBUROS

El futuro es de todos  
Minenergía  
#LA NUEVA ENERGÍA

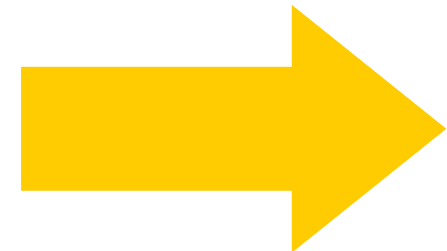

**37** Areas

**28** Proposed by the ANH

**9** Nominated Areas

- 1** Inferior Magdalena Valley
- 1** Sinú – San Jacinto
- 2** Middle Magdalena Valley
- 5** Llanos

New additions accepted  
**Until 09 / 30 / 2021**
